

# PROVO RIVER PARKWAY TRAIL DETOUR MAP

## MID-JULY 2010 TO SUMMER 2012:

The Provo River Parkway Trail will be closed at I-15 for bridge construction for the Utah County I-15 Corridor Expansion (I-15 CORE). Provo City, UDOT and Provo River Constructors worked closely to provide a safe, alternate route for trail users while crews expand I-15 and rebuild the freeway bridges over the trail. Directional signs are placed along the alternate routes, shoulders are improved and bike lanes added in specific areas to guide users. Once the crossing reopens in summer 2012 users will have the following improvements:

- A 10-foot-wide newly-paved trail
- Increased height clearance (8 ft. minimum)
- A lighted undercrossing

For more information regarding the I-15 CORE project visit [www.udot.utah.gov/i15core](http://www.udot.utah.gov/i15core) or call 888.i15core (415-2673).
